Why Should I Consider Making Pre-Need Arrangements?

Simply stated, the answer is **INFLATION**. The costs associated with a funeral rise every year due to inflation. This is a fact of life and death does not change that. But, there is a way to prevent it by acting now to lock in your final expenses at today's prices. The added bonus is that a Pre-need allows you to make personal decisions about your funeral, eliminating most of the burden on your survivors. You can put in writing your preferences about every detail from church to grave site.

There is no service charge or hidden costs in making a Pre-need account. The amount of your selection is the total cost of your Pre-need package. This will not be altered unless you authorize a change with the Funeral Home.

All you need to do is call Leevy's Funeral Home at (803) 771-7799 or (803) 776-6922 and make an appointment. During your conference, your Pre-need counselor will give you all of the options that you need to make informed decisions about your final wishes and expenses. If you can not come to us, we will be pleased to come to you.

Our motto, Leevy's "A Temple of Service," is more than words – it is a sacred trust between our family and yours.

Note: Your Pre-need arrangement is different from a **WILL**, which is a legal document on how your estate (your real property) will be distributed after your death. The management and staff at Leevy's Funeral Home encourage you to get a will to protect your assets and to assure that your survivors receive their bequests according to your directions.

**Contact us at 803-771-7799 or 803-776-6922
to complete your pre-need funeral arrangements.**
