I Never Saw Your Wings

How is that I never saw your wings  
When you were here with me?

When you closed your eyes  
and soared to the heavens

I could hear the faint flutter of your wings  
as you left your body, no longer on this side  
Your spirit here eternally, I see your halo shine.

I close my eyes and see the multi-colored wings  
surround me in my saddest moments  
and my happiest times.

Mother, my angel, God has given you your assignment  
Always my mother forever my angel.
