

When Tomorrow Starts Without Me

When tomorrow starts without me,
and I'm not here to see,
If the sun should rise and find your eyes,
filled with tears for me.
I wish so much you wouldn't cry
the way you did today,
while thinking of the many things
we didn't get to say.
I know how much you love me,
as much as I love you,
and each time you think of me,
I know you'll miss me too.
When tomorrow starts without me,
please try to understand
That an angel came and called my name
and took me by the hand
The angel said my place
was ready in heaven far above
And that I'd have to leave behind
all those I dearly love.
But when I walked through Heaven's gate,
I felt so much at home
When God looked down and smiled at me
from His great golden throne.
He said, "This is eternity
and all I've promised you."
Today my life on earth is past,
but here it starts anew
I promise no tomorrow
but today will always last
And since each day's the same day,
there's no longing for the past.
So, when tomorrow starts without me,
don't think we're far apart,
For every time, you think of me,
I'm right there in your heart.
