"God's Garden"

God looked around His garden And He found an empty place He then looked down upon the earth And saw your precious face. He put His arms around you And lifted you to rest; God's Garden must be beautiful He always takes the best. He knew that you were suffering He knew you were in pain He knew you'd never ever Get well on earth again. So He closed your weary eyelids And whispered "Peace be thine" Then He took you up to Heaven With Hands so gentle and kind. It broke our hearts to lose you But you did not go alone, For part of us went with you The day God welcomed you home.

"H Special Tribute to Our Sister"

She was beautiful, she was special, She was different, unique in a thousand ways. She was giving, she was loving, and we'll miss Her all our days Her legacy was friendship, she was so giving of her time. Her bequest was her faith in God But when she heard death coming, she didn't cower in fear, Instead she called out boldly, "My Lord, I'm over here." And so instead of mourning as we remember her this hour, we Really should be celebrating the blooming of a flower. But forgive us, Lord, for paining, for wishing she was here. It's hard to give up someone we have come to love so dear. Because You see, she was different, she was special, unique in a thousand ways, she was loving, she was giving, and we'll miss her all our days. This WOMAN was our "SISTER"
