*Dad, the moment you died our hearts were torn in two,  
One side, filled with heartache, the other died with you.*

*We will always remember the love you have shown us.  
The love we have for you will always remain tender and true.*

*So, for this we will not weep but remember you always in our hearts  
and there you will remain and glad you have no more pain.*

*Until the joyous day arrives, we will meet you again.*

*In this life, we are glad that you were our dad.*
