

Free At Last

*Don't grieve for me
For now, I am free
I'm following the path
God has laid out for me*

*I am home in heaven, family
I am walking in God's sight
There is perfect joy and peace
in this beautiful everlasting light.*

*God saw me getting tired
And weary as can be
So, He wrapped me in his arms
and whispered to my soul
"Come on home with me"*

*Now, all of my pain and suffering is over
family I have my freedom and peace
Safely home in heaven at last, at last
Don't cry for me, rejoice you see,*

*There are no tears in heaven
No grief of any kind
I leave all my loving memories
to my close family that I left behind.*

*Goodbyes are not forever
Farewell is not the end
They simply mean, I'll miss you
Until we meet again.*
