Dear Brother,

*I saw you grow frail and weak,
And pain kept you from your sleep,
I prayed that God help you with your battle,
To allow me to stay with you to the end, and to hold your hand.
Then you heard the voice of Jesus
Gently calling your name,
He held out his loving arms and call you home.
You have left a legacy,
There was no one like you, very special
I know I have been blessed
To have you for my brother
Because you were the best
There were times we fought each other
And times you fought for me,
But at the end of the day we stood together.
There are now three links broken in our chain
And I hope God slows down calling our name.*
