

Miss Me But Let Me Go

*When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom-filled room
Why cry for a soul set free?*

*Miss me a little - but not too long
And not with your head bowed low.
Remember the love that we once shared,
Miss me-but let me go.*

*For this is a journey that we all must take
And each must go alone.
It's all a part of the Master's Plan,
A step on the road to home.*

*When you are lonely and sick at heart,
Go to the friends we know
And bury your sorrows in doing good deeds
Miss Me - But Let Me Go.*
