

### *A Letter From Heaven*

When tomorrow starts without me  
And I'm not there to see;  
If the sun should rise and find your eyes  
All filled with tears for me.  
I wish so much you wouldn't cry  
The way you did today;  
While thinking of the many things  
We didn't get to say.  
I know how much you love me  
As much as I love you;  
And each time that you think of me,  
I know you'll miss me too.  
When tomorrow starts without me,  
Don't think we're far apart  
For every time you think of me.

### *I'm right here in your heart*

For all the times you made me feel secure,  
Gave me an opinion on something when i wasn't sure,  
Remember i brought you crab legs and we ate together in your  
room?  
Good food and seeing me made your days a lot less gloom,  
Giving me words of encouragement from a hospital bed,  
Calling to make sure i was okay and my stomach was fed,  
Telling me stories about the good times back in your day,  
Yet you never talked about the pain you endured day by day,  
So STRONG and BEAUTIFUL my grandma is and was,  
I'll still get to talk to you daily I just have to look up above,  
Although i won't be able to hug you tight and feel your touch,  
Atleast you know that your choo-choo loved you so so much.

Love always,  
Rayven (choo-choo)
