The Journey of My Life

*It was beautiful as long as it lasted,
The journey of my life.*

*I have no regrets whatsoever
Save the pain I'll leave behind.*

*Those dear hearts who love and care...
And the strings pulling at the heart and soul.....*

*The strong arms that held me up
When my own strength let me down.*

*At every turning of my life I came across good
friends,*

*Friends who stood by me
Even when time raced by me.*

Farewell, farewell my friends.

*I smile and bid you good bye
No, shed no tears for I need them not.*

All I need is your smile.

If you feel sad do think of that's what I'll like.

When you live in the hearts of those you love

Remember then, you never die.
