

## Angel In The Sky

We always ask God why we have to go,  
But that is one thing we shall never know.

From being here day to day,

And going to sleep night to night

God always has a reason that we may not  
like

It's never a goodbye, always see you later.  
Before we meet again, we'll still be together  
forever.

So, let's wipe our tears and gather ourselves  
together because our Elijah wouldn't want  
us sobbing forever.
