

To my Family,

Now that I'm at the end of the road and the sun has set for me

This is a journey we all must take and we must all go alone, it's a part of our Heavenly Father Master plan, a step on the road to home.

To rejoin and rejoice with all that went before us and to continue mending our chain link to make it whole again.

So, to all that I love, I'm sorry I couldn't stay, but remember I will always be in your hearts and with you, I love you Papa, Family, and Friends, we will see each other again.

Family you all are going to be alright, I got to go Nana and my Mother is calling me, God Bless You All.
