*Memories of You*

We remember everything about you,  
Your voice, your smile, your touch,  
The way you walked, the way you talked,  
The way you looked at us, meant so much.

We remember all the words you said to us,  
Some funny, some kind, some wise,  
All of the things you did for us,  
We see now with different eyes.

We remember every moment we shared,  
Seems like only yesterday,  
Or maybe it was eons ago,  
It's really hard to say.

You are gone from us now,  
But one thing they can't take away,  
Your memory resides inside our hearts,  
And lights up our darkest days.
