

## *I'm Free*

Don't grieve for me for now I'm free,  
I'm following the path God laid for me  
I took His hand when I heard Him call,

I turned my back and left it all

I could not stay another day,

To laugh, to love, to work, or play

Tasks left undone must stay that way,

I've found that peace at the close of the day

If my parting has left a void,

Then fill it with remember joy

A friendship shared, a laugh, a kiss,

Ah yes, these things I too will miss

Be not burden with times of sorrow,

I wish for you the sunshine of tomorrow

My life's been full, I've savored much,

Good friends, good times, my loved one's touch

If my time seemed all too brief,

Don't lengthen it now with undo grief

Lift your heart, rejoice with me,

God wanted me now, He set me free.

## *God's Garden*

God looked around His garden  
And found an empty space,  
He then looked down upon the earth  
And saw you tired face.

He put His Arms around you  
And lift you to rest.  
God's garden must be beautiful  
He always takes the best.

He saw the road was getting rough  
And the hills were hard to climb.  
So He closed your weary eyelids  
And whispered, "Peace be thine."

It broke our hearts to lose you,  
But you didn't go alone.  
For part of went with you  
The day God called you home.
