Heaven's Very Special Child

A meeting was held quite far from earth It's time again for another birth Said the angels to the Lord above This special child will need much love Her progress may seem very slow Accomplishments she may not show And she'll require extra care From the folks she meets way down there She may not run or laugh or play Her thoughts may seem quite far away In many ways she won't adapt And she'll be known as handicapped So lets be careful where she's sent We want her life to be content Please Lord find people who Will do a special job for you They will not realize right away The leading role they're asked to play But with this child sent from above Comes stronger faith and richer love And soon they'll know the privilege given In caring for this gift from Heaven Their precious charge, so meek and mild Is Heaven's very special child
