How Beautiful To Be With God

How beautiful to be with God,
When earth is fading like a dream,
And from this mist-encircled shore
We launch upon the unknown stream!
No doubt, no fear, no anxious care
But comforted by staff and rod,
In the faith-brightened hour of death
How beautiful to be with God!
Beyond the partings and the pains,
Beyond the sighing and the tears,
Oh, beautiful to be with God
Through all the endless, blessed years—
To see His face, to hear His voice,
To know Him better day by day,
And love Him as the flowers love light,
And serve Him as immortals may.
