I Am Free

*Don't grieve for me, for now I'm free
I'm following the path God laid for me,
I took his hand, when I heard Him call
I turned my back and left it all.*

*Could not stay another day,
to laugh, to love, to work or play;
Tasks left undone must stay that way,
I found that peace at the close of the day.*

*If my parting has left a void
Then fill it with remembered joy,
A friendship shared, a laugh, a kiss
Ah yes, the things I too will miss.
Be not burdened with times of sorrow.
I wish you the sunshine of tomorrow.*

*My life's been full, I have savored much
Good friends, good times, and a loved one's touch.
Perhaps my time seemed all too brief.
Lift up your heart and share with me,
God wanted me now- He Set Me Free!*
