I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God has laid you see.
I took His hand when I heard His call
I turned my back and left it all.
I could not stay another day
To laugh, to love, to work, or play.
Tasks left undone must stay that way
I found the peace at the close of the day.
If my parting has left a void
Then fill it with remembered joys
A friendship shared, a laugh, a kiss
Oh yes, these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart, and peace to thee-
God wanted me now; He has set me free.*
