

Kingdom In The Sky

In my heart, there is a yearning, that keeps my soul burning
It fills me with desire, and sets my spirit on fire.

I have come to understand, that God holds me in his hands.
And it fills my heart with glee, to know that God cares for
me!

As I meditate on the word, and have faith in what I hear.

I have begun to realize, that there is a place beyond the skies,
And the life in which I now live, I would gladly to my father
give
And when the time comes for me to die, please for me, do not
cry,
For my soul will be set free, and I will live eternally.

I have come to understand, the Father of Light holds me in
His Hands.
And it fills my heart with glee, to know the Father of Light
cares for me!

In the twilight of my days, in the twinkling of an eye,
I will be with my father, in that kingdom in the sky!
- James Toby Driver

You Never Said Goodbye

- Author Unknown

You never said I'm leaving, you never said goodbye.
You were gone before I knew it, and only God knew why.
A million times I needed you, A million times I cried.
If love alone could have saved you, you never would have died.

In life I loved you dearly, in death I love you still.
In my heart you hold a place, that no one could ever fill.
It broke my heart to lose you, but you didn't go alone
For part of me went with you,
The day God took you home.
