## To My Husband

**When we get to the end  
of our lives together,  
the house we had,  
the cars we drove,  
the things we possessed won't matter.  
What will matter, is that  
I had you, and you had me.**

## *Greatest Hero*

*This world has many heroes, some you'd know by name.*

*They give their best at what they do, so they deserve their fame.*

*But among all of the heroes this world has ever had, There is not one admired more than the guy that I call Dad.*

*Perhaps not like the others, he doesn't look for praise.*

*He's heroic in his special way, in his thoughtful caring ways.*

*Perhaps he's not as famous as the others that you see,*

*But he's everything and so much more that heroes ought to be.*

*He keeps his word, it's good as gold, on this you can depend.*

*He's honest and he's loyal too, he's also a true friend.*

*When I hear about a hero, and the great things they have done,*

*It reminds me of my father, he is the greatest one...*

## *Acknowledgement*
