Pallbearers and Floral Bearers

Family and Friends

Never had to say good bye to a sister before,
Especially one as beautiful...profoundly special,
Loving...engaging as you. Always within reach...
A guiding light long before I knew the wealth and
Measure of your embrace, now learning to live
without you. So much I would have said had I known
you were going to leave me...slip away in the dawning
light as morning dew pressed the leaves outside your
window... taking flight...suddenly like great spirits do,
leaving me to contemplate he truth of you....

You are Forever loved, Alexander Smalls
