### Footprints

*One night I dreamed a dream. As I was walking along the beach with my Lord. Across the dark sky flashed scenes from my life. For each scene, I noticed two sets of footprints in the sand, one belonging to me and one to my Lord.*

*After the last scene of my life flashed before me, I looked back at the footprints in the sand.*

*I noticed that at many times along the path of my life, especially at the very lowest and saddest times, there was only one set of footprints.*

*This really troubled me, so I asked the Lord about it.*

*"Lord, you said once I decided to follow you,*

*You'd walk with me all the way. But I noticed that during the saddest and most troublesome times of my life, there was only one set of footprints. I don't understand why, when I needed You the most, you would leave me." He whispered, "My precious child, I love you and will never leave you. never, ever, during your trials and tests. When you saw only one set of footprints, It was then that I carried you."*
