He Is Gone

*You can shed tears that he is gone
Or you can smile because he has lived
You can close your eyes and pray that he
will come back
Or you can open your eyes and see all that
he has left
Your heart can be empty because you can't
see him
Or you can be full of the love that you
shared
You can turn your back on tomorrow and
live yesterday
Or you can be happy for tomorrow because
of yesterday
You can remember him and only that he is
gone
Or you can cherish his memory and let it
live on
You can cry and close your mind, be empty
and turn your back
Or you can do what he would want: smile,
open your eyes, love and go on.*
