

*In Loving Memory
We Miss You Always*

*Our hearts have been left broken
Since the day you had to go
And the memories we treasure dearly
Are in the tears that still flow*

*You're in our thoughts everyday
And that's how it will always be
For you may be up in Heaven now
But you'll always be with us*

*If only we could have the chance
To see your face once more
Or to hear your voice one final time
Just like it was before*

*The day that Heaven calls for us
Will be a relief from all this pain
We'll run to you with open arms
And we will meet again*
