

Funeral

When I go from this place
dress the porch with garlands
as you would for a wedding my dear
pull the people from their homes
and dance in the streets
when death arrives
like a bride at the aisle
send me off in my brightest clothing
serve ice cream with rose petals to our
guests
there's no reason to cry my dear
I have waited my whole life
for such a beauty to take
my breath away
when I go let it be a celebration
for I have been here
I have lived
I have won at this game called life
