*There are many stars that surround us  
all*

*We can only search for ways not to fall  
Faith, hope, and turning to God in our  
time of need*

*Say our prayers and ask God to bless  
them*

*Give us the strength, hope,  
and love that come from God above  
He will give us help when we are weak  
And give us the strength that we see  
faith in God,*

*And doing the best we can  
Even if we fall, we will get up again  
If only we trust in God  
And let Him help us through*
