I'm Free

Don't grieve for me, for now I'm free I'm following the path God has laid you see. I took His hand when I heard His call I turned my back and left it all. I could not stay another day To laugh, to love, to work, or play. Tasks left undone must stay that way I found the peace at the close of the day. If my parting has left a void Then fill it with remembered joys A friendship shared, a laugh, a kiss Oh yes, these things I too will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. *My life's been full, I savored much,* Good friends, good times, a loved one's touch. Perhaps my time seemed all too brief, Don't lengthen it now with undue grief. Lift up your heart, and peace to thee-God wanted me now; He has set me free.
