So Long, Just Slipped Away

by: the late Cornelius Jefferson (Uncle)

I was a friend everybody knew, then one day I had a call

Didn't you look up and see your clock stopped on the wall

This came as a big surprise to many, who'd known you for so long

> Now it'll be hard to tell everybody Your friend is gone

Now may be everlasting, finish taking care of the hill While those of us who loved you, will continue to love you still

So now goodbye my buddy, it's hard to say goodbye So I'll just say farewell, so long, it came your time to die

Love You Forever
