A Mother's Love

Mothers are special and oh so kind.
She binds the wounds and dries the tears.
God gave to each a special gift.
A gift to treasure through the years

A Mother who is always kept busy.
Making sure her children are warm and fed.
Looking after all the household things,
God at night her children she did bring!

Mother's asking God for guidance.
To do the right and abstain from wrong.
When we need her, she is always there.
She has the strength, talking to God in prayer!

Mothers watch us grow over the years.
Praying always for our interest
Our days of childhood we remember.
And hold the memories of the best!

Mother taught; Now I lay me down to sleep.
I pray to God my soul to keep.
Those words we learned at Mothers knee,
Will bless our lives throughout eternity!

There is no love like a mother's love.
She holds her children's heart so dear.
A mother's love is kind and strong.
She wipes away that falling tear!

We pass this love on to our children.
So, it will last throughout the years.
We'll teach and train and share with others.
And give God thanks for a praying Mother!
