

His Journey's Just Begun

Don't think of him as gone away
His Journey's just begun,
life holds so many facets
this earth is only one.

Just think of him as resting
from the pain, sorrows and tears
in a place of warmth and comfort
where there are no days nor years.

Think how he must be wishing
that we could know today
how nothing but our sadness can
really pass away.

We must think of him as living
in the hearts of those he touched.
For nothing loved is ever lost
and he was Loved so much.
