## Eddie's Prayer

Heavenly Father, I come before you this morning as humbly as I know how. I want to thank you for your grace and mercy.

I pray Father that you be with me as I drive up and down the highways. I pray that you help me to use good judgement in driving. I pray that you watch over all mankind today. Please help all of those who call upon your name for mercy.

I pray that you give me the will and the desire to worship you  
I pray that you be with me in my Bible Studies on Wednesday's  
I pray Father, that you watch over my children and grandchildren today wherever they maybe. Help me to do everything in my power to help them.

I pray for the people of Israel, and all the nation in the Middle East. Help them to resolve their differences peacefully.

And Father, I pray that you watch over me today. I pray for guidance and your protection.

Father help me to see the best in my neighbors. Help me to remember that I am a Christian in dealing with my neighbors. Help me not to do anything that would keep me from going into your Kingdom.

And if there is anything that you would have me to do, I pray that you let it be known to me in your own way.

And Father, when I come to the end of my journey, I pray for your forgiveness, I pray that you give me a home in your Kingdom.

These and other blessings I pray in Jesus name.

Your servant's prayer, Amen.
