for my
Uncle

*I have so many memories
Of the times we spent together,
And even though you're no longer here,
I'll cherish them forever.
I miss your laughter so much
and the mischief in your smile.
When I feel the sadness welling up
I'll remember it a while.
For though you are no longer here,
You'll never be truly gone.
So long as I have these memories,
Your spirit will carry on.
So until I see your smile again,
I'll hold you in my heart and mind.
A shining example, my uncle
Of the best of humankind.*

No Regrets

We wore a smile upon our faces, when we were crying and hurting inside. Would we regret this task? Honestly, we didn't know if we were conditioned to care for you. However, everyday we did it with our heads held high; knowing **GOD** would give us the strength that only He could provide. Many sleepless nights, answering late calls, caring for your every need, greasing those dry lips (LOL), the many haircuts and shaving, dancing and taking your place at being "a clown" just to make you smile. Just know, if we had to do it all over again...the answer would be **YES!** Why? Now, we finally understand true love has no regrets!

Love Always,
Mark and Wanda
