Tribute

While sitting home thinking of
All my siblings and friends too
Always remember that I love you.
I thought of things I needed to do
Which made it hard to leave you.
Your memories and love of my that's
Stored in your hearts has knitted us together
So we are never apart.
Just keep in mind that life on earth
Is just a stepping stone
Preparing us for our heavenly home.
Now be encourage I have ran my race
I'm in the bosom of Abraham, waiting
To see the Lord's face
And when the trumpet sounds and we all rise
I'll look to see you all in the skies.
As a new day begins and your workday starts
I will be forever with you in your hearts
God is always in control and he knows best.
In eternity I've gone to take my rest.
