## **The Measure of A Man**

Not, how did he die, but how did he live?

Not, what did he gain, but what did he give?

These are the units to measure the worth

Of a man as a man, regardless of his birth.

Not what was his situation but had he a

Heart and how did he play his God given part

Was he ever ready with a word of good cheer

To bring back a smile, to brandish a tear?

Nor what was his church, nor what was his  
creed?

But had he befriended those really in need?
