

Born

I was born into this world for a purpose.

I was born into this world to fulfill God's Divine Plan for my life.

As I traveled along the way, I did so in Faith, Hope, Love and with Integrity.

God has been merciful all the days of my life and to its end.

If you weep, do so out of joy and not sorrow because I fulfilled the Master's Plan for my life and I want you to do the same.

Know that I loved you and we will see each other again.
