

I'm In a Better Place

*I'm in a better place!
My time here was great, filled
With all the love and laughter
one's heart could take.
It's time for me to move on to a better place.*

*I served my Country.
I loved hard and was loved unconditionally.
I put a smile on many faces,
and laughter in many hearts.
When I came in a room
You knew I was there,
You would hear me say, in a loud voice,
"What's up there Baby?"*

*Spades was my game of choice,
But only challenge me if you were ready to lose.
When I cooked,
you could taste the love,
the true meaning of food for the soul.*

*I say all this because,
This is how I want to be remembered.
Know that I'm in a better place!
I'm being reunited with the loved one's
I've lost along the way.
I'm in a place full of beauty, unfailing love, and
grace.
I'm in heaven.
I'm in a better place.*

*My time with you all I will forever cherish.
It is time I move on to a better place.
Hold on to the memories
And love we shared.
Until we meet again one day in this better place*
