*To Those I Love and
To Those Who Love Me*

When I am gone release me; let me go.
I have so many things to see and do.
You must not tie yourself to me with tears,
Be happy that we had so many years.
I gave you my love – you can only guess
How much you gave me in happiness.
I thank you for the love you each have shown.
But now it is time I traveled on alone.
So, grieve awhile for me, if grieve you must;
Then let your grief be comforted by trust.
It's only for a while that we must part,
So bless the memories within your heart.
I won't be far away, for life goes on.
So if you need me, call. I will come.
Though you can't see me or touch me, I'll be near;
And if you listen with your heart you will hear
All of my love around you, soft and clear.
And then, when you must come this way alone,
I'll greet you with a smile and say
"Welcome Home."
