*Proceeding Through Life's Journey:
A Poem for our Dear Mother*

I wake up every morning thinking of you, for all of the genuine things you continued to do. In our hearts, mind, and soul your love has always been very bold. Your contagious smile, always lasting for a while.

When God created you, he knew that you would be special to us every day. You have shown love to so many others, yes Mother you have paved the way.
