Mr. Junius McFarland, the beloved son of the late Nero and Dehlia James McFarland. He was born on March 31, 1933 in Florence, South Carolina. Over his 91 years of life, family bestowed many on him: "Honey," "Daddy," "Granddaddy," "Daddy Farland," and "Daddy Mac" to name a few. He departed this life on Monday, December 16, 2024, surrounded by his immediate family and soulmate.

Mr. McFarland attended the public school system in Florence, South Carolina where he excelled academically and became fascinated with world travel and service. He enlisted in the US Air Force after graduating from high school and some of his tours of duty included assignments in Korea and Vietnam. He retired from his military career as a Master Sergeant in February of 1974. Post retirement, Mr. McFarland devoted decades to managing three local manufacturing companies in Columbia, South Carolina. A man of fasting, prayer, and intercession, he was known for spending hours in his favorite chair studying the word of God. He served as an elder at Abundant Life Christian Center and counseled many families, friends, and loved ones from the scriptures.

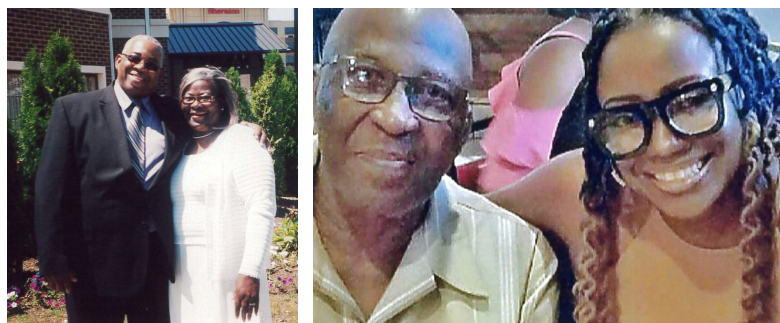

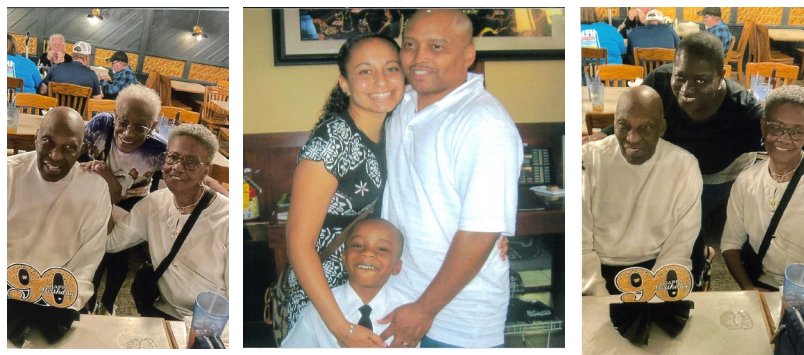

He leaves behind, his "Angel" and wife of forty-five years. Mr. McFarland was married to Leona McFarland of Florence, South Carolina. Their love was inseparable, and their bond was admired by all who celebrated their union.

Today, we cherish those siblings who mourn alongside us: Debra (Roosevelt) Starks, of Florence, SC, Delores Mitchell of Florence, SC, Barbara Jean McFarland of Newark, NJ, Neverseene McFarland, of Columbia SC; and a beloved aunt, Susanna McCullum of Baltimore, MD.

## Tribute

Granddaddy is preparing to leave us soon and he has been preparing us his whole life for this moment. First comes birth then, then the death after birth into the eternal life. It is part of the life cycle as he would most likely tell us.

It is not a coincidence he would start his transition to heaven during the Thanksgiving and Christmas season.

Granddaddy was most thankful for God, Jesus, the word of the bible and most of all his family and friends.

To know granddaddy was an enlightened treasure. When he spoke, he spoke with absolute intention. The intention of God as if God were speaking to you himself. Everyone who sat on their couch or at the dining table, already knows what it is lol. Don't let granddaddy come out his prayer closet aka the bathroom and you sitting on the couch for a "visit"

Bayybeeee!! Prepare yourself to take notes for an 18hr lecture with follow up phone calls quoting the scripture.

To know him was to know God.
