In Loving Memory of Our Grandfather

Of all the special gifts in life
However great or small
To have you as our Grandad
Was the greatest gift of them all

May the winds of love blow softly
and whisper in your ear
“We Love you and miss you granddaddy and with that you were here.”

Deep in our hearts your life is kept to love and cherish, not forget.
No more tomorrows we can share, but yesterdays are always there.

The say there is a reason
They say time will heal;
Neither time or reason will ever change the way we feel.

Gone are the days we use to share
But in our hearts you are always and forever there.

The gates of memories will never close; we miss you more than anybody knows.

Although he has gone,
We will always be together,
And his spirit will live on
In each of us forever

A silent thought, a secret tear
Keeps your memory ever near
In our hearts forever.

We love you Granddaddy,
Get your rest.
