

Angel

*Tear drops, slow and steady, the pain
so real and true.*

*God took another angel, and that
angel, dear, was you.*

*Angel wings, upon the clouds, your
body softly sleeps,*

*Hust now little angel, not more tears
you have to weep.*

*Little prayers are sent to you, the life
you led;*

*You family will never forget you, so
rest your little head.*

*I know God will look after you, now
you are truly alive,*

*Your spirit soars beyond the moon,
your legacy will survive.*

*You're beautiful, you're endless, now
stretch your wings and fly,*

*You're loved by so many; it will never
be goodbye.*

*Close your pretty eyes, no more tears,
just go and rest,*

*Let your soul lie peacefully, we know
you did your best.*
