

When I Must Leave

By: Helen Steiner Rice

When I must leave you
For a little while-

Please do not grieve
And shed wild tears
And hug your sorrow to you
Through the years,

But start out bravely
With a gallant smile;
And for my sake
And in my name
Live on and do
All things the same,

Feed not your loneliness
On empty days,
But fill each waking hour
In useful ways,

Reach out your hand
In comfort and in cheer
And I in turn will comfort you
And hold you near;

And never, never
Be afraid to die
For I am waiting for you in the sky!

To My Sister

When I Lost You

I wish I could see you one more time walking through the
door, but I know that is impossible
I will hear your voice no more.
I know you can feel my tears and you don't want me to cry,
yet my heart is broken because I can't understand why
someone precious had to die.
I pray that God will give me strength and somehow get me
through,
as I struggle with this heartache that came when I lost you.
