

Endless Love

Thank you for your endless love.
That will help me through each day.
And thank you for the memories
that will never fade away.

You're the woman I loved
and I was proud to be your husband.
And every day – in some small way –
I will celebrate your life.
As long as memories last,
you will stay in my heart.

Your loving husband

I'll always remember all you've taught me and make
you proud, you'll see.

Thank you, my dear mother, for all the love you
showed me.

Although you've left this earth and now you've taken
flight,

I know that you are here with me each morning,
noon, and night.

Love you always Ma!

My sister, My friend

Through laughter bright and
tears that fall,

A sister's love embraces all.
A friend, a guide, a steady hand,
A bond that time cannot disband.

From childhood games to grown-up dreams,
She shares the light and whispers seams.

A secret held, a whispered plea,
Forever linked, you and me.

LOVE YOU FOREVER She-She,
Your Lil sister, Mekia
