

Gone Too Soon

Words cannot describe the loss I feel. Saying farewell to you, but heaves chose to give you wings.

And now it's time you fly. I wish that we could have more time, and that God would've let you stay.

Forever would not be long enough, but I would take one day. I wish I had just one more chance to see that tender smile, to laugh with you again my dear. Just for a little while.

Gone too soon but not forgotten. Forever you will remain, my guiding light, my shining star, until I see your face again.
