## When Tomorrow Starts Without Me

*When tomorrow starts without me, and I'm not here to see,  
If the sun should rise and find your eyes, filled with tears for me.*

*I wish so much you wouldn't cry the way you did today,  
while thinking of the many things we didn't get to say.*

*I know how much you love me, as much as I love you,  
and each time you think of me, I know you'll miss me too.*

*When tomorrow starts without me, please try to understand  
That an angel came and called my name and took me by the hand*

*The angel said my place was ready in heaven far above  
And that I'd have to leave behind all those I dearly love.*

*But when I walked through Heaven's gate, I felt so much at home  
When God looked down and smiled at me from His great golden throne.*

*He said, "This is eternity and all I've promised you."  
Today my life on earth is past, but here it starts anew*

*I promise no tomorrow but today will always last  
And since each day's the same day, there's no longing for the past.*

*So when tomorrow starts without me, don't think we're far apart,  
For every time, you think of me, I'm right there in your heart.*
