Tribute

I miss you in the morning when the sunset fades away
The ache within my heart will not go away
In life you went through your test
During your time on earth, you gave your very best
Sadly, it was your time to rest
The fight is over now you can rejoice
I will always remember good times and the sound of your voice
If I had another chance to put up and fight
I will do it with all my might, but I wasn't the soldier in the war
So, continue to rest your time is done
Jesus picked your wings so continue to soar on.
