

When Tomorrow Starts Without Me

When tomorrow starts without me, and I'm not here to see,
If the sun should rise and find your eyes, filled with tears for me.

I wish so much you wouldn't cry the way you did today, while thinking of the many things we didn't get to say.

I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too.

When tomorrow starts without me, please try to understand
That an angel came and called my name and took me by the hand

The angel said my place was ready in heaven far above
And that I'd have to leave behind all those I dearly love.

But when I walked through Heaven's gate, I felt so much at home

When God looked down and smiled at me from His great golden throne.

He said, "This is eternity and all I've promised you."
Today my life on earth is past, but here it starts anew

I promise no tomorrow but today will always last
And since each day's the same day, there's no longing for the past.

So when tomorrow starts without me, don't think we're far apart,
For every time, you think of me, I'm right there in your heart.
