

When Tomorrow Starts

Without Me

When tomorrow starts without me, and I'm not here to see,
If the sun should rise and find your eyes, filled with tears for me.

I wish so much you wouldn't cry the way you did today, while thinking of the many things we didn't get to say.

I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too.

When tomorrow starts without me, please try to understand
That an angel came and called my name and took me by the hand

The angel said my place was ready in heaven far above
And that I'd have to leave behind all those I dearly love.

But when I walked through Heaven's gate, I felt so much at home

When God looked down and smiled at me from His great golden throne.

He said, "This is eternity and all I've promised you."
Today my life on earth is past, but here it starts anew

I promise no tomorrow but today will always last
And since each day's the same day, there's no longing for the past.

So when tomorrow starts without me, don't think we're far apart,
For every time, you think of me, I'm right there in your heart.

Acknowledgement

We, the family of Mr. Anthony Tyrone Riley Jr., would like to thank each of you for your love, prayers, and support shown to us during the passing of our loved one.

There's always that one person, who knows you like no one else. So, one day you lose them. You also lose your version of yourself. Mourning will never end. Because in every state of life you were my absolute best friend. I know you are there happy and pain free. But selfishly I wish you were still here with me. So, here I am stuck without you, but memories and knowing it's not goodbye to you but goodbye to me.

Love your "Lil Bro"
