It broke our hearts to lose you, but you did
not go alone,

A part of us went with you, the day God
called you home.

God saw you getting weary, and did what
He thought best,

He put His arms around you and
whispered,

Come Xavier, and Rest?"

A Letter to My Dad

You held my hand when I was small.

Caught me every time I was about to fall
was always confident that I could count on
you and you never failed me Daddy,
You always, always came through, cherish
your love, knowledge and the time that we
shared

And thank you for always being there.
Every time I think of you, my heart will fill
with pride. And although I will miss you
terribly Daddy, I know you'll be by my side
in sunshine and in rain, I know you're
watching over me

I love you Daddy, my best friend
Until next time 'Old Man'

Love,
Bernie
