

*We thought that we had more time, but
'tomorrow is not promised' rings loudly in our
ears.*

*Every picture, every memory, every conversation
and every joke overflows our cups with tears.*

*God's ways are not our ways, this Bible verse lives
deep within our bones*

*But Man O Man, Uncle Rob, we gonna miss that
deep smooth baritone*

*Every life moment is replaying, vivid and
beautiful, like a video within our minds*

*Auntie Merry, Lil Rob and Serenity experienced
your special love. It was one of a kind.*

*You will never be forgotten. Your face we will
never forget.*

*We will love you forever, Uncle Rob. Save us a seat
at the table as you take your rest.*
